Awards	CSI Mumbai Cyber Security Awards (2023)
Owner of the Awards	CSI Mumbai Chapter
Awards Management	Personnel from the Association or appointed / engaged by CSI Mumbai Chapter who are responsible for the conduct of the Awards
Applicant	Any organization / person that sends in an application to participate in the Awards as per the rules & regulations, or is nominated by CSI Mumbai Chapter to participate in the Awards
Screening jury	A panel of subject matter experts, appointed / engaged by CSI Mumbai who will evaluate the applications
Final jury	Group of persons with subject matter expertise appointed / engaged by CSI Mumbai to select the winners
Rules	These rules and regulations governing the Awards, as amended from time to time

- These Rules & regulations, are applicable to and govern the “**CSI Mumbai Cyber Security Awards (2023)**” organized and conducted by CSI Mumbai Chapter.
- By participating in the Awards, Participant agrees to abide by and be bound by these Rules. These Rules & regulations may be modified without any prior notification. Participant is advised to regularly review these Rules. If there is any disagreement with any of the Rules & regulations and any amendments thereto, Participant must not participate or withdraw application from the Awards.

2. Awards Objectives

To recognize and honour Cyber Security Professionals and Organisations who have set new benchmarks and effectively used new trends to further business objectives

3. Award Categories and Definitions

Individual Category		
SR.	AWARD NAME	DEFINITIONS
1	Outstanding Chief Information Security Officer (CISO)	CISOs can operate in different ways, and are responsible for a myriad of different activities and technologies to combat a range of threats. Whatever the role, this category recognizes those who through security expertise, business acumen and/or skilful and innovative leadership approaches, have led the cyber security portfolio with distinction. Outstanding performers will be leaders and innovators who are setting examples that others will wish to

		<p>follow.</p> <p>To enter this category, you will be asked to:</p> <ul style="list-style-type: none"> Describe the role of the CISO and the ways in which this person has led change in the organization including the cyber security impacts of any partnership approaches adopted with different stakeholders. (Up to 500 words) Provide details of the value added by the CISO and the individual's impact on the work of the department highlighting the specific leadership qualities that generated any benefits noted. (Up to 500 words)
2	Outstanding Chief Digital Risk Officer (CDRO/CRO)	<p>This award recognizes the Cyber Chief Digital Risk Officer—individual, team or company— demonstrating outstanding performance in any aspect of security consulting. Chief Digital Risk Officer often play a key role in security in offering expertise and insight which can transform the quality of service, product or system that is offered. It recognizes the existence of distinct skill sets and crucially the ways these are harnessed and managed to make a difference to security strategy and/or practice.</p> <p>To enter this category, you will be asked to:</p> <ul style="list-style-type: none"> Describe the role and objectives of the chief digital risk officer and the key factors that reflect outstanding performance. (Up to 500 words) Describe how the chief digital risk officer has displayed outstanding performance in terms for example, of leadership skills, a focus on the customer, by adding value or otherwise driving excellence. (Up to 500 words)
3	Outstanding Cyber Security Professional	<p>There are many cyber security professionals working in different roles, who are neither a Young Professional or a CISO (e.g., Security Architects, IT Risk Advisors, Security Analysts, Intelligence Analysts, Investigators, Heads of Operations) and this award is focused on them. It recognizes those who through cyber security expertise, business acumen and/or skillful and innovative approaches, have contributed with distinction. Outstanding performers will be those who are setting examples that others will wish to follow.</p> <p>To enter this category, you will be asked to:</p> <ul style="list-style-type: none"> Describe the role of the cyber security professional and the ways in which the person has led by example including the cyber security impacts of work undertaken with different stakeholders. (Up to 500 words) Provide details of the value added by the cyber security professional highlighting the specific qualities that generated any benefits noted. (Up to 500 words)
4	Outstanding Woman in Cyber Security	<p>A thought leader who has authored research, investigations, demonstrates outstanding diligence or legislation making in the cybersecurity industry and this award is focused on them. Nominee should be a woman with a legacy and record of developing research and/or products that have changed the industry.
